## UPDATES AND INFORMATION

### Finance Reports and Vision Updates

- Please get these in by the end of this month (January).
- The links to the forms have been sent to you. I will send them out again this week. They are located on STARS.
- If you have problems using the forms on your computer, contact Deborah Iliff or Dean Curtis for help. I will include their contact information when I send the links again.
- All these reports come to me. Sandra is helping me just keep track of reports that have been received. She may be in contact with you, too, to be sure we receive your reports.

### Core Strength Team Update – CST

- This now a team of 20 people. Each one on the CST has a specific job they do to support SPCs and the overall Aglow prayer ministry. This is a huge help to me personally as well as a strength to all of us.
- The CST is listed in the SPC Directory

### SPC Directory

Though I need to post the updated version, an SPC email directory is listed on STARS. If you want a directory that gives complete addresses and phone numbers, ask either me or Sandra.

### STARS – stars.aglow.org -- Strategy, Teaching, Activation, Resource, Social/Prayer Gathering

Nearly all of your resources are located on STARS. Explore this page frequently and explore the resources located here. If you have trouble figuring out how to navigate it, contact Deborah or Dean.

### Operation Prayer Zone

- I realize the impossibility of this strategy. However, if we never reach for the impossible, we seldom see impossible things happen.
- This is an Ephesians 3:20 strategy – it is above and beyond anything we can ask or think *according to the power working within us*

- The idea is to have intercessors covering your whole state whether or not there is an Aglow Lighthouse in every nook and cranny of your state.
- Ideally, a Prayer Zone is a zip code. That means having an intercessor, someone who is on watch in every zip code.
- *What if one intercessor praying in one zip code with shields linked together with other intercessors in your state turned the tide of an election or state legislation or stopped human trafficking or was the catalyst for revival or became the foundation of a new Aglow ministry group or Lighthouse?!*
- Start with what you have then grow from there:
  - What zip codes are already covered by the intercessors you already have?
  - Identify an intercessor in every county and build from there.
- New resources this year:
  - Monthly Operation Prayer Zone Target –
    - Sent to you in a format you can send out or print
    - You may use it as it is or add points to it that are relevant to your state
    - It will be posted and archived on STARS
  - Inspirational and informative video clips of SPCs sharing how they are working towards this

### **ANTI-HUMAN TRAFFICKING**

- Debby Brawner and Debbie Fisher are our Core Strength Team support for AHT
- January is Anti-Human Trafficking Awareness month
- We are working on a vision and information video or two with Sara White, Purses With a Purpose/Fresh Beginnings, who we met in St. Louis for the Gifts to the City project.
- The Operation Prayer Zone Target will have prayer points on this
- Super Bowl Strategy – SB is in Glendale AZ (greater Phoenix area)
  - January 18 – Debby Brawner is leading an AZ prayer team on a prayer walk in the area of the Super Bowl. Mark your calendar to pray along with them
  - Thursday, February 9 at 10 Pacific/1 Eastern, we will take our Upgrade Call time to pray into the issue of human trafficking, specifically the Super Bowl
  - Sunday, February 12 is the Super Bowl – pray with expectancy; we will watch for reports of trafficking rings being exposed and shut down

### **SAMUEL Zoom Group**

- See it, Apply it, Model it, Under Excellent Leadership
- This is just a possibility, depending on interest and recommendations
- A group I will do with 20 and 30 somethings (maybe stretch to 40's)
- Contact me if you have a recommendation of someone in your state who should be part of this

## STRATEGIES AND INSPIRATION

### Feed the Water

Water was one of the underlying themes that came up several times during the 2022 WE KNOW conference in St. Louis. We prayed about water ways and living water springing up in the prayer room. Dutch mentioned “Feed the Water”. Jane quoted Mike Bickle who said, “Wherever Aglow is, the water level rises.”

Pray over water ways in your state. It may be to systematically pray over many of them or select a water way near you. I’m doing this too.

- Salt the waters and pray that curses are removed.
- Release the blessing of God
- Declare the water level of Aglow and the whole ecclesia rises in your state

### Summon the Nations

*I will whistle for them and gather them, for I will redeem them. And they shall increase as they once increased.* – Zechariah 10:8 NKJV

*Look! You will summon nations you’ve never heard of. Nations who have never heard of you will come running to follow you because Yahweh, your God, the Holy One of Israel, has glorified you.* – Isaiah 55:5 TPT

*Look among the nations and watch—Be utterly astounded! For I will work a work in your days which you would not believe, though it were told you.* – Habakkuk 1:5

*All the nations will be gathered together before Him. And like a shepherd who separates the sheep from the goats, He will separate all the people.* – Matthew 25:32 TPT

- We mantled you with whistles at the close of conference as a prophetic act of mantling you to call in nations
- We are summoning nations into the Kingdom, in as sheep nations, into their full prophetic purpose, into Aglow
- How?
  - Nations prayer calls
  - Nations listed in the Global Prayer Target each month
  - Other strategies as the Lord leads
  - Video short on sheep nations

### Pray for the Ship to Turn

- This word and message was given through Joan Bennett at the St. Louis conference. It is posted on STARS. Please download it and read it. We will also look at parts of it on an Upcoming Upgrade call.

- Excerpt:

*I will share three key words with you from this prophesy.*

1. Assignment – *She said you have an assignment. It may be your final one.*

2. Ship – *She saw a battleship and said I was to pray for “the ship to turn”.*

*What came to my mind were the times Aglow has been referred to as a “ship” and the times the Lord has turned Aglow into a new day and new direction. She ended by saying, “and the ship may not turn!”*

3. It is a transitional time – *She said pray when He calls you. As when He called Samuel, pray strategically as the Holy Spirit leads during these times. Watch and pray.*

- The part that says, “and the ship may not turn” tells me that we are going to have to really partner with Holy Spirit to see the ship of Aglow turn. Therefore, I am asking you to make this a part of your intentional prayer for Aglow.
- Prepare for the ship to turn
  - Quotes from Jane this morning:
    - *It is critical that we hear specifics of what He is requiring of us.*
    - *What we have seen in this ministry has come from a humble reliance on Him.*
    - *It is not in a striving for performance. It really is in the resting.*
  - Understand Tohu Bohu – Genesis 1, *without form and void* while the Spirit of God hovered.
    - It was chaos, it seemed like nothing was there, there was nothing to see. Very dis-orienting.
    - Yet, out of that, God formed something of Himself, for Himself, by Himself
    - Do not resist the tohu bohu. Press into God and rest in Him.
  - Understand the battle – I sense three areas of battle for the ship to turn
    - Spiritual warfare – bottom line, Satan doesn’t want Aglow to move into her greatest Kingdom assignments. Satan will come against this fiercely.
    - Relationships will be tested – love one another, trust one another, be open and honest, don’t allow room to be offended
    - Your heart will be tested –
      - Proverbs 4:23 *So above all guard the affections of your heart, for they affect all that you are. Pay attention to the welfare of your innermost being, for from there flows the wellspring of life.*  
The next season flows from within our hearts.  
Do not guard your heart by closing your heart. Guard your heart by opening your heart to be vulnerable to the Spirit of God. Christ within you is the guardian of your heart.

- Psalm 73:26 *My flesh and my heart may fail, but God is the strength of my heart and my portion forever.*  
God is our courage to step into new territories and new ways of doing things. He is our strength.

**Breakthrough** – Tim Sheets, Angel Armies on Assignment, pp 31 and 37

*Although there are many types of breakthrough, let me reference three of them for you:*

- Suddenly – *Some breakthrough is simply the busting up of situations or hindrances, etc. God comes, He breaks it up, and you're free. It's a suddenly.*
- Grow your way out of – *Other breakthroughs you must grow your way out of, with His assistance. To achieve supernatural breakthrough, you may have to acquire spiritual strength and growth to break out.*
- Impregnate your soul – *Some breakthrough comes from God impregnating your soul with something that you must nourish in the womb of your soul, until it's time for it to break out and live outside in the world.*

*Decrees*

1. *WE DECREE Messiah the Breaker is going before us and we will break through.*
2. *WE DECREE doors to new opportunity are breaking open.*
3. *WE DECREE our prayers are hitting the mark.*
4. *WE DECREE that when the King comes in, everything changes.*
5. *WE DECREE dreams and visions are connecting to their moment.*
6. *WE DECREE that we are being anointed to prevail.*
7. *WE DECREE inheritance in new ways and at new levels.*
8. *WE DECREE suddenlies of Holy Spirit are breaking out around the world.*
9. *WE DECREE every strategy of hell will backfire.*
10. *WE DECREE break up, break out, break through, passover, and possess.*

## IMPARTATION

Commissioning from Dutch Sheets at St. Louis at the close of the Sunday morning message.

*You are commissioned once again into a new era, into a new season, into new activities, into new revelations, into new wisdom, into higher levels of authority. A greater release of your gifts, anointings, and what He has called you to do and to be. And the Lord says, "Just get all the restraints off now. There are no restraints - get them off. Do not even think that way. No limitations for what I can do for you."*

*You're commissioned:*

- *To be His voice in the earth, to be His Hands and Feet.*
- *To prophesy*
- *To tear down with your decrees; to build up and establish with your decrees.*

*I keep hearing the word "fine-tuned". I kept thinking He's going to fine-tune you. I hear Him saying, "I have fine-tuned them, and I will continue that. But I have tuned them to My signal, to My Voice."*

*I am asking for a strong release of the teaching anointing, revelation with prophetic insight, an apostolic authority that there will now flow.*

*We commission now this ministry, this family, to move into a higher level of marriage of the apostolic prophetic and teaching anointing in the Body of Christ. To move into a higher level of this.*

*It will not be difficult. It will not require a lot of change. It is going to require the knowledge and the realization that it's happening, and it's there for you. When you see that it is there, you will realize you're moving into it without trying to move into it. You are doing the new before you realize you are doing the new. You have moved into the new, even when you fought the new, because you were at least willing to do whatever you could. But, He had you ready. So, you will move into this with ease. You will move into it as an anointing, and the flow of oil that flows from the head will cause you to easily move into this new place God has for you.*

*You will not have to strive. Your striving will be after Him. Your striving will not be to perform for Him, but it will be to run after Him. It will be to press into who He is and the knowledge of His ways, and the knowledge of His Heart. The fruit will not be a difficult thing.*

*So, Lord, we pray for the leaders, the people, the representatives in these 172 nations. We ask you to hover over every one of those leaders visit every one of them. Bring a stronger anointing and equipping to them.*

*Lord, I don't care if they lead 10, 5, or 5000. Pour Your Spirit out on them afresh, anew. Spirit of wisdom and revelation, catch them up if they are behind. Move upon them, adjust their thinking where it needs to change and adjust, and bring them in step, and turn them with this organization, this ministry.*

*Some of them are leading small groups right now. They don't know a tidal wave is headed their way. A tidal wave of revival and outpouring. You are positioning them now for what You're about to do and they do not know - and frankly probably are not ready - but You will have them ready.*

*And the plans of the enemy in some of these nations, the plans of the enemy, the plans of darkness, demonic structures strongholds. Government officials will not be overthrown from without; they will be overthrown from closets and living rooms and tents. Because a company of intercessors will gather and deal with powers of darkness in spirit realms and it will be used to liberate entire nations. I will sneak up on them. They will not see My army coming. They will not know what hit them.*

*So, Lord, the orchestration of all this is in Your hands. The plans. It's all in Your hands. Our faith is 100% in You.*
