

DECREES OVER UNIVERSITIES

WE DECREE that the King is coming to establish His Lordship in every University and campus throughout America.

WE DECREE that no weapon of darkness formed shall succeed in any University throughout America.

WE DECREE the Angelic Host of Heaven is partnered with the Ecclesia to shift our universities, to shift America, to shift the nations of the earth.

WE DECREE that the shining Glory of the Presence of God is a blinding Light to the enemy and his schemes throughout our Universities.

WE DECREE that it is time for our nations students to arise and take their place as the blinding Light of Christ.

WE DECREE that darkness will bow its knee to the supremacy of God's Glory through His Universities.

WE DECREE that every student and faculty member will walk in Love and Forgiveness, in Grace and Unity with one another. It will be unleashed upon our Nation.

WE DECREE when Christ comes in, EVERYTHING changes to align with His Glory. Universities are bursting with His Glory, and it will ignite Life throughout our Nation.

WE DECREE...HOSANNA over every university in America!
