- Friday, Saturday evenings – 6:15 – 6:35 PM
- Sunday afternoon, *immediately* following the closing session, meet *briefly* in the Daytona Room to seal the conference and be sent out. Some may need to miss this to catch a flight – that’s understandable.

*You must have a **YELLOW** wristband
to sit on the Prayer Shield*

Prayer Watch

Each SPC has 1 Prayer Watch assignment, either in the morning from 6-8:45 AM or in the evening immediately following the evening session to mid-night. Please check the Prayer Watch Schedule and note of your assignment.

Prayer Shield

- Each SPC is assigned several sessions to sit in the reserved seats for the Prayer Shield. Please check the Prayer Shield Schedule and note your assignments.
- Some Prayer Shield seats are on the first and second row. Some are in the middle of the auditorium. Note: not all front row seats are for the Prayer Shield. Look for the signs on the seats that indicate *Prayer Shield*.
- When you are on the Prayer Shield, please be in your seats before the session begins. Your assignment is to pray. Pray for the ministry coming from the platform (Jane, worship team, speakers, offering receivers, prophetic words, etc). Even if prayer is intense, try not to look stern. Give a look of encouragement to those ministering. Pray for the people receiving the ministry there in person and via webcast. Pray for technical and safety aspects.
- There are Prayer Shield Captains: Melody Evans, Judy Garner, Helen Joy Duperree. Sandra Ritter will be roaming to assist. Please follow any directives they give on the Shield.
- If you are not on a Prayer Shield assignment, you may sit anywhere in general seating.
- In General Sessions, all SPCs are part of the prayer ministry team if prayer ministry is directed from the platform.
