

# 2024 SPC ALL CALL

This is a time of: INFORMATION and STRATEGY, INSPIRATION and IMPARTATION

If you have questions or comments, I encourage you to post those on our SPC FaceBook page. I will do my best to answer your questions. Others may have the same questions. Others may glean from your comments.

## UPDATES AND INFORMATION

### Finance Reports and Vision Updates

- Please get these in by the end of this month (January).
- The links to the forms have been sent to you. They are located on STARS. Or Sandra can send them to you.
- If you have problems using the forms on your computer, contact Deborah Iliff or Dean Curtis for help. Their contact information is in the directory.
- All these reports come to me. Sandra is helping me just keep track of reports that have been received. She may be in contact with you, too, to be sure we receive your reports.

### Core Strength Team Update – CST

This is now a team of over 20 people. Each one on the CST has a specific job they do to support SPCs and the overall Aglow prayer ministry. This is a huge help to me personally as well as a strength to all of us.

### SPC Directory

Though I need to post the updated version, an SPC email directory is listed on STARS. If you want a directory that gives complete addresses and phone numbers, ask either me or Sandra. An updated Directory will be posted on STARS in February.

### Nancy Out

I will be travelling this remainder of this month: CA Prayer Summit, European Regional Leaders' Conference, Faroe Islands.

Contact Sandra if you need anything. She will keep you updated as you pray for me.

## **STARS – stars.aglow.org -- Strategy, Teaching, Activation, Resource, Social/Prayer Gathering**

Nearly all of your resources are located on STARS. Explore this page frequently and explore the resources located here. If you have trouble figuring out how to navigate it, contact Deborah or Dean.

### **STRATEGY**

#### **Operation Prayer Zone**

- This is NOT just another list of prayer points. It is a strategy to find people who are not already involved in praying for anything and everything, to tap into people who may not currently be engaged in Aglow – and to tap into new intercessors who are just discovering the joy of prayer.
- I will do a video teaching to give you ideas and prepare a place for Holy Spirit to stir your vision and give you strategy. If you are doing something that works, let me know.

#### **Home Front Prayer Teams**

- These are powerful Aglow intercessors who may no longer part of the mainstream for whatever reasons. They may have moved to where there is not Aglow. They may be dealing with health or aging issues that prevent them from going to meetings or conferences. BUT, they are still powerful intercessors.
- Start identifying Home Front intercessors in your state. Reach out and ask if they would be willing to pray for some prayer requests or join a prayer call.
- Then engage them in praying for leaders in your state, events in your state, and the Hosanna Watch.
- Let them know how much you value them.
- More on this later.

#### **ANTI-HUMAN TRAFFICKING – Now called END HUMAN TRAFFICKING**

- Debby Brawner and Debbie Fisher are our Core Strength Team support for EHT and Janet McLean is working with them along with other things
- January is Anti-Human Trafficking Awareness month
- Super Bowl Strategy – SB is in Las Vegas on February 11
  - Tuesday, January 23 – End Human Trafficking Prayer Zoom – 5 PM Pacific – focusing especially on the Super Bowl and Mardi Gras (Feb 13)

- January 30 – February 1 – Debby Brawner is leading a prayer in on-site prayer in the area of the stadium and hotels etc in Las Vegas – the areas where trafficking is likely. Mark your calendar to pray along with them
- Sunday, February 11 is the Super Bowl – pray with expectancy; we will watch for reports of trafficking rings being exposed and shut down

### **24/7 for 24**

- With what you are already doing, it is just a matter of filling in some gaps to have Aglow praying round the clock in America.
- 2024 – Elections!
- Remember – pray for the Cyrus’s who may be running for elections.

### **Jerusalem Watch – Jerusalem Gates**

- Asher prays from the front door of his apartment in Jerusalem which overlooks the government buildings – every morning at 6 AM.
- 8 PM Pacific /11 PM Eastern
- *Lord, grant Your peace in Jerusalem. I declare Your Lordship and Your Kingship over the government and all matters concerning Israel. Fill Jewish people everywhere with the fullness of their heritage in Jeshua. Let people everywhere know Your heart towards the land and people of Israel. I decree Your Kingdom is coming in Israel and in all the earth as it is in Heaven.*

### **Hosanna Watch**

I am praying about moving this to October this year.

- High Holy Days on the Hebraic Calendar
- Anniversary of October 7
- Month before US Elections
- Month before Aglow conference (November 7-10 in Dallas)

### **Adopt A Mountain**

- Pray for the Gatekeepers on each Mountain of Influence
  - 1) Education
  - 5) Government/Military
  - 2) Religion
  - 6) Arts/Entertainment
  - 3) Family
  - 7) Media
  - 4) Business

- There are Cyrus's for every place of influence – Gatekeepers God is raising up to align each mountain with Heaven. Ask God who the Cyrus's and pray for them.
- Which mountain will your state adopt? If you don't sense a particular leading, one will be assigned. We just want to be sure all the mountains are covered.

### **Prayer Zooms and Enrichment Zooms**

- Prayer for the Nations – Jennifer
- Prayer Strikes – Helen
  - Critical issues
  - Forget not – strategy to deal with early onset dementia, Alzheimer's, general memory issues – our minds
  - Critical health issues

## INSPIRATION and IMPARTATION

### **Great Hope for the Future!**

- God **will** fulfill His words and promises to this ministry
- Green lights dream – two stanchions of traffic lights, each with 2 columns of lights so there was 6 lights on each stanchion making a total of 12 lights. ALL THE LIGHTS WERE GREEN! This is a time of great permission, and Heaven is shouting, "Go!"
- Take the cruise control off and let Holy Spirit rev your engine to acceleration.
- Look at His promises / prophetic words with fresh eyes. Don't look through the lens of yesterday. Look through the lens of today and the lens of the future. God may bring fresh revelation to words He gave in the past – present/future revelation.
- In Jacksonville, Asher said, "Prophecy again!" Lord, take us out of yesterday's mindset. Bring us into the revelation, understanding, and faith of Your words today and tomorrow – the time of fulfillment.

### **Three Areas of Battle** – *I shared this last year but feel to share it again*

- Spiritual warfare – bottom line, Satan doesn't want Aglow to move into her greatest Kingdom assignments. Satan will come against this fiercely.
- Relationships will be tested – love one another, trust one another, be open and honest, don't allow room to be offended. *An offense is an event – being offended is a decision.*
- Your heart will be tested –
  - Proverbs 4:23 *So above all guard the affections of your heart, for they affect all that you are. Pay attention to the welfare of your innermost being, for from there flows the wellspring of life.*
  - The next season flows from within our hearts.

### **Sustainability**

- *The ability to maintain or support a process over time without depleting natural or physical resources.*
- Press into the *sustainability* of the Spirit.
- As we press into the assignments He has for us, God will resource those assignments the strength we need, the anointing we need, the help we need, the skills we need, the finances we need.
- Isaiah 43:31 . . . *they that wait on the Lord shall renew their strength . . .*  
The word *wait* means to bind, twist, or braid. As we bind or braid ourselves to Him – completely wrapped up in Him – there is a *sustainability* of our strength and resources.

### **Transition → Transformation**

*God is more concerned with your transformation than He is with your transition.*

- Transition – gradual change, shift, or movement; can be for the good or bad
- Transformation –
  - the process of changing completely the character or appearance of something in order to improve it
  - the process of changing the physical or chemical properties of a substance in order to make or produce something else
- We are no longer in *transition* – just floating along on the winds of change
- We are in *transformation*

- Romans 12:2 TPT - *Stop imitating the ideals and opinions of the culture around you but be inwardly transformed by the Holy Spirit through a total reformation of how you think. This will empower you to discern God's will as you live a beautiful life, satisfying and perfect in His eyes.*
- Isaiah 43:18-19 TPT – *Stop dwelling on the past. Don't even remember these former things. I am doing something brand new – something unheard of . . .*
- Isaiah 48:6 TPT - . . . *From now on I will tell you about new things never seen before, hidden things, well-guarded secrets you know nothing about.*
- Our Response / Our Part
  - Seek to be transformed in the midst of uncertainties.
  - Instead of seeking how to get through a *transition*, asking God to show you how to partner with Him in the transformation He is doing in you.
  - Be a transformer - bring the transformation of the Holy Spirit you're your assignments

### **Defining Moment**

*Reference Tim Sheets' Jacksonville 2023 message, My Ecclesia Will Prevail*

- We are stepping into a Defining Moment for the Isaiah 60 Era (greatest glory/greatest darkness)
  - We cannot allow hell to define us – Heaven defines us
  - We cannot allow world systems to define the Ecclesia – the Ecclesia is here to bring transformation and *redefine* the world
- Think of this in several contexts:
  - How is this a defining moment in the world?
  - How is this a defining moment in the Household of God – Israel and the Church?
  - How is this a defining moment in Aglow?
  - How is this a defining moment in you?
- What is a Defining Moment?
  - A moment when what is done will affect the future
  - A moment that puts us on a different path
  - A moment when conformity is challenged – a time to take a stand

- A moment when a voice or voices arise that “write the script for a new play”. Tim Sheets said, “It is time for the King’s Ecclesia to write the script for a new plan.
- Nehemiah 2 – Nehemiah defined the moment when he saw the walls and gates were broken down
  - Verses 2-3 --- Burden to pray – he began to intercede (verses 2-3)
  - Verses 5-6 --- God gave him a vision to build (verses 5-6)
  - The vision gave strategy and engagement / action (verses 11-17)
  - Nehemiah shifted from cupbearer to leadership (verses 18-20)

Neither the current culture nor the old structure defined the moment. Nehemiah rose from prayer, to vision, to strategy to leading the way to define the moment.
- Our assignment in this hour:
  1. Pray – really let Holy Spirit burden you to shift the time
  2. Let vision consume you
  3. Seek the strategy and action plan of Heaven
  4. Rise up to define the moment
- Expect this transformation in this Defining Moment – *The accuser will become the accused*. We’ll pick up this thought to activate later.

### **Declarations and Decrees:**

- I decree you have a future and a great hope. God has fixed permission in your favor. The lights are green – just *GO!*
- I declare that you are battle ready. You are mantled for victory.
- I declare that there is no lack of strength, vitality or resources for your assignments – you are inseparably intertwined in the strength of God’s all-sufficiency.
- I decree TRANSFORMATION has become your weapon to dismantle old mindsets, to crush old patterns of defeat and lack, and to open new paths for the power of God manifest in the earth.
- I declare this year is a Defining Moment in your state. This year is a Defining Moment in America. And I decree that Heaven is defining our future.
