

OPERATION **PRAYER ZONE** *Prayer Target*

SEPTEMBER 2024

November 5, 2024 Elections

As Christians, we pray earnestly for our nation. We need God's blessing. We need His intervention in matters that bring darkness into our land. We need His Hand upon those He has brought to live here – that we would live by godly values, walk in health, and be successful in life. We need God!

The election process of the USA is one of our most treasured rights as citizens. Our vote is a way that we can influence our nation and give voice to our desire that America would be *One*

Nation Under God. Our vote is our opportunity to hear God's Heart for our nation and to elect leaders who will follow biblical values. November 5 is an extremely important election that will influence the course of America for now and the future. The elections for all positions are important, and of utmost importance is the Presidential election. Seek God's guidance as you educate yourself on issues, platforms, and candidates. Pray for God's Hand upon the election process. Vote. Trust God.
